

YOU GATO'
BOUNCE

ADIOS AMIGO!
(GOOD LUCK WITH EVERYTHING)

Suresh, it's been a real pleasure working with you for the last couple of years. I have personally learned a lot from you and really admire your dedication towards your work. This is a big loss for Spark, but I wish you all the very best for the future! I hope to see you sometime in the near future again. Take care and best of luck. Onwards and upwards my friend!

Neel 😊

Hey Suresh, it's sad to see you go, but I'm really happy for this next chapter in your life. Thanks for being so willing to help me and show me the ropes in my early months at Spark so far. Spark and AMIGO will miss you, but we're all better off having worked with you and your legacy here will live on! All the best for your move back to India, and I hope we'll keep in touch in some way or form in the future :) 😊

Nicole

Hey Suresh,

Sorry to hear you are leaving us - it has been an honour
and a pleasure to work with you during your time here. I
remember way back when you joined and we worked on
the (very successful) ABC prototype. You did some
amazing work then and you have continued to do
amazing work since then :) Thank you for everything you
have done and I will miss your skill and dedication. All
the best Suresh.

Hi Suresh, it was wonderful having you at Spark. You were one of the few people who transitioned from a perfectly comfortable Data Engineering position to something new and uncharted. Hats off to you on your courage to do that. You have always been a positive influence on your team and people around you, and I have seen you smile through many tough situations, starting from the first model on churn. All the best for your next endeavour. Cheers
Anshuman

Hi Suresh,

It is a bittersweet moment for me, having worked with you only for the short time but learnt a lot from you during that. It is sad to see you leave and at the same time a lot of respect for you, as you decide to be with your parents.

I hope, I'll be fortunate enough to work with you in future, when you return to NZ.

*Until we meet again. Adios Amigo.
Manish*

*Take care my friend.
